

# YEAR IN REVIEW

2016  2017

## SUSTAINABLE CAMPUS

Our team is growing!

**2** new professional staff members

**11**

sustainability-related book club meetings and documentary screenings

### OUR PROGRAMS

#### Take Back the Tap

**65+** hydration stations on-campus  
**512** people pledged to not buy bottled water

#### Seminole Organic Garden

In order to better serve the FSU community, the garden has been revamped! While it was out of commission, we hosted:

**5** garden workshops & **2** garden re-build days

#### Eco-Reps

**20+** Eco-Reps representing

**16** residence halls

#### reCycle Bike

**106** students rented bikes in Fall and Spring

**4** safety classes

**9** social rides

#### Food Recovery Network

**17,425+** lbs. of food recovered at FSU since Fall 2014. That's equal to **14,520+** meals!

#### Garnet & Gold Goes Green

Over the past **12** football seasons, G4 volunteers have recycled **200+** tons of plastic, aluminum, and glass!

We're now collecting recyclables at FSU basketball home games!

#### Green Office

**14**

FSU offices have been Green Office certified

### OUR EVENTS & INITIATIVES

#### Rez Goes Green

**71** participants  
**15** Campus Rec staff  
**12** Sustainable Campus staff  
**12** FSU organizations

#### Chuck It for Charity

**15+** tons of "stuff" collected and donated to community

#### #FSUEarth Month

**1** month of FSU sustainability events  
**7** FSU departments hosting and collaborating on **9** events ranging from water to recycling to climate change

#### Green Senate Night

**33** student senators present  
- vegetarian food only  
- encouraged reusable water bottles  
- reduced paper waste  
- introduced recycling

Thanks for a great year!
